

Hotel La Tour

Since the hotel opened, over a year ago, Johnsons Stalbridge Linen Services has been working with Hotel La Tour based in Birmingham, providing a hire and laundry service of kitchen linen, table linen and bed and bath linen.

Head Housekeeper Sadie Sanders, at Hotel La Tour, has worked with Stalbridge at other hotels for many years and has formed a strong relationship. Sadie says that,

Maintain quantities and quality

“We like working with Stalbridge as there’s a constant input of new linen to maintain quantities and quality plus the team in the office know exactly what they’re doing and have a fantastic knowledge of their products and processes. When we need to increase or decrease stock levels it’s just a matter of picking up the phone and speaking to the office.

Knowledgeable team

Monthly stock takes are conducted by the Stalbridge service rep who knows exactly what he is doing and it all runs very smoothly. Linen can be one of our biggest headaches: but with Stalbridge it just goes away!”

Hotel La Tour Birmingham is a new four star city centre property with a five star attitude to customer service. The hotel, in Albert Street, has 174 bedrooms and suites plus a brasserie-style restaurant and bar inspired by the Michelin-starred Chef Marcus Wareing. It is owned and operated by a small independent team and was opened in March 2012. The company plans to open a second venue, in Manchester, in 2014.
